

Did you know that less than 15% of the population are high performing? And high performers spend at least 65% of their work effort and time on the things that have high impact and are not urgent?

- Are your leaders stressed and working long hours?
- Are your leaders focused on the urgent rather than the strategic?
- Are you concerned you're not offering enough support to your leaders?
- Are you worried you haven't got the right people in leadership roles?
- Do you want your leaders to be engaged and high performing?

Most people do not make the impact, have the influence or create the difference they intend to in their leadership roles. This applies just as much to experienced executives as to early leaders. It's easy to get focused on the urgent and caught in a reactive cycle where you're playing catchup, and don't have the time or opportunity to really lead. Through this program you will learn how to do the right things, at the right time, in the right way, and set yourself up to have more leadership impact for the next 90 days.

LEADERSHIP IMPACT			
	Activity	Focus	Performance
5	PRIORITIES	RHYTHM	100%
4	ADAPTING	DISCIPLINE	65%
3	BUSY	TOOLKIT	30%
2	CHAOS	AWARENESS	5%
1	CARELESS	CONSEQUENCE	-10%

When working with CEO's and their teams I find that they get caught up in the basics, the fundamentals, And this stops them from stepping into their leadership where they can flourish. I commonly see the following factors missing from leadership practise:

1. Clarity of your/their top 3 priorities every 90 days
2. A framework for getting and staying Organized
3. Taking control of calendars and working hours
4. Fast and focused meetings
5. Deliberately planning time for strategic thinking and creativity, team growth and development, and relationship building
6. An approach for strategic planning
7. The discipline to apply the foundation principles

AT THE END OF EXECUTIVE IMPACT ACCELERATOR YOU WILL:

- ✓ Be organised
- ✓ Know their top 3 priorities for the next 90 days
- ✓ Have a clear plan to execute their priorities, with an aligned calendar
- ✓ Have a streamlined meeting portfolio, and fast and focused approaches to running them
- ✓ Have taken control of their calendar
- ✓ Be set up to deliver on the strategic agenda

WHAT OTHERS HAVE TO SAY:

I recently completed Stacey's group leadership program. It has been far the best leadership coaching program that I have encountered. Stacey's approach is logical, considered and highly effective. I have so many tools in my tool box now and feeling positive about dealing with my leadership challenges. I would highly recommend connecting with Stacey and joining one of her programs. You won't regret it.
