

Leading Possibility

ACTIVATE

Amplify your leadership

Are you:

- ✓ Battling fatigue & losing motivation?
- ✓ Sick of being reactive & feeling like you have no control?
- ✓ Need to get your leadership mojo back?
- ✓ Need to create a clear plan and set your goals?
- ✓ Need to lead yourself and your team into a better future?

Finding the time and space to renew your energy and focus on the big picture is vital for creating your leadership strategy and plan for the year ahead.

If you need a PASS (a Plan, Accountability, Space and Support) so you can get your energy, focus, plan and goals set, you're coming to the right place!

Create a plan to take back control, find your MOJO and have an extraordinary next 90 days.

Get clarity about what is really important. Set clear goals. Feel more energised, confident, and ready to create the future.

Activate was great - such a well delivered live online session. I now know how to make the best of my time, simplified my focus to the areas that matter most to me, and have some clear actions steps moving forward. I also have some new leadership models to add to my toolkit and insights into what is happening in the world right now and what's needed.

This event is ideal for you if you:

- **Have been thinking about the months ahead** and what it could look like for you and your team. Maybe you're feeling a lack of inspiration (even dreading it), need to reset your goals and create some excitement about the opportunities in the year ahead.
- **Have noticed your energy, motivation and focus are falling** and need to replenish and refocus now.
- **Need to move from reactive to strategic leadership**, focus on what is really important, and have a clear strategy and plan to deliver on these things in the next 90 days.
- **Are ready to regain your MOJO and do this important leadership work.**
- **Value the input of experienced and diverse leaders** when planning and strategising.
- **Need time and space to focus** on the plan ahead and know it will go better with some accountability and support to make it happen.
- **Want to feel more energised, in control**, future focused and confident in your leadership.

This event is not ideal for you if:

- Want someone else to do it for you.
- Are hoping things will get better on their own.
- Aren't prepared to commit 4 hours to your leadership practice.

How it Works:

- **We will meet virtually from 9:30am – 1:30pm**
- **This will be an interactive workshop where you will identify and document your most important areas of focus**, define your goals and plan, with me to guide you.
- **Ask questions as you need to**, we're here. to help!
- **Break into small groups** to collaborate and support each other as you create your plan.
