

**Stacey Ashley**  
Leading Possibility

# High Performance Leadership & Coaching Expert

- Keynote speaking and breakout sessions
- Practical, engaging, insightful and interactive
- Ideas and strategies you can implement immediately

## LEADING POSSIBILITY

Obsessed with possibility, Stacey helps leaders to navigate the complexities of globalization, technological advancement, social interconnectivity, massively accelerating change and a multi-generational workforce.

With over 30 years' experience, Stacey has helped 1000's to develop their leadership competence, confidence and credibility. The author of three Amazon #1 best selling books on leadership, she has been featured in The Age, Sydney Morning Herald, INTHEBLACK, HRD, CEO Magazine & Coaching World.

She typically speaks at conferences, runs workshops, consults & coaches.

### CLIENTS INCLUDE

*Stacey's session was enriching, practical and truly effective in providing possibilities for transformation. Her translation of complex concepts into easy and doable tips is simply brilliant. I think filling our cups, fostering connection, elevating our practice and operating in our zone of genius are illuminating & inspirational thoughts that will help us face up, show up and step up. Once again, thanks a ton for sharing your expertise. Your presence and contributions to APAC are precious and much appreciated.*

*Dr Ann Dolly, President of Asia Pacific Alliance of Coaches (APAC)*

### Leading Possibility, First Lead Yourself

Whether you're leading yourself, your family, your team or your organisation, our turbulent world will never be the same again. In this interactive session Stacey will share with you:

- Practical tools and strategies to First Lead Yourself
- Strategies for self-support and personal resilience
- The importance of leading your tribe as a role model

### Leading High Performance During Turbulence

You are a leader, and now more than ever, it's time to stand up and lead. In this interactive session Stacey will share with you practical tools and strategies for leading the people around you.

- How to build the foundations for performance in turbulent times
- How to be visible and keep your team focused and on task, even if they are working remotely
- How to support yourself and your team through significant change and challenge

### The Business Case For Happiness At Work

Learn how you and your team can achieve your potential by:

- Creating your own positive mindset and developing resilience,
- Developing strategies to deal with the ups and downs of working life, and
- Learn simple coaching concepts you can use in conversations with your people.

### The Practice Of Leadership

Leaders need help to develop the skills that will take them to their next level. Stacey will share some of the practical tools, ideas and strategies that leaders need to master so they can focus their time and effort on the right things, at the right time in the right way and create the opportunity to lead

### Leading With Heart (Head, Heart & Gut)

Discover the power of your multiple brains (head, heart and gut brains) and what they offer for increasing your intuitive abilities and immediately generating wiser decision-making. Learn how embracing your head, your heart and gut brains will allow you to develop new levels of consciousness, wisdom and decision making as a leader.

### Why Aren't You Coaching Yet?

In this interactive and enlightening session, Stacey will introduce you to:

- Why having a Coaching Culture is important
- What it is, and
- How to go about creating one in your workplace

Walk out with coaching tools you can use in your next conversation.
