

STACEY & ASHLEY

LEADERSHIP VISIONARY

THE FUTURE PROOFED CEO

People describe Dr Stacey Ashley as the leader's leader. The person who can help to make the complex simple. Able to offer the simple, practical, next step, in a strategic context. The person leaders lean on when they are facing situations and circumstances that are at the same time challenging, exciting, offering opportunity, and often moving through uncharted territory. A pathfinder if you like.

With a talent for translating complex concepts into simple and practical ideas for immediate application, Stacey is the author of six Amazon #1 best-selling books about leadership.

Stacey is focused on future proofing CEOs. Their leadership, their people, and their organisations. With over 30 years' experience, she has helped 1000's to develop their leadership competence, confidence, and credibility.

- 🌀 Ideas and strategies you can implement immediately

“ What stood out to me was Dr Ashley's dynamic speaking style, which effortlessly captured the attention of the audience throughout the entire session. Her delivery was both confident and engaging, making complex leadership concepts relatable to everyone in the room. We received lots of positive feedback from our guests and Dr Ashley's presentation left attendees equipped with practical strategies to enhance their leadership skills. I highly recommend Dr Ashley as a speaker for any event
