LONG BIO

Dr Stacey Ashley CSP is a Leadership Visionary.

People describe Dr Stacey Ashley as the leader's leader. The person who can help to make the complex simple. Able to offer the simple, practical, next step, in a strategic context. The person leaders lean on when they are facing situations and circumstances that are at the same time challenging, exciting, offering opportunity, and often moving through uncharted territory. A pathfinder if you like.

In 2023 Stacey received the Thought Leader Of The Year Gold Award at the International Stevie Awards for Women In Business in New York. One of her 14 Stevie awards. She has been twice named in the global LinkedIn Top Voices, and multiple times in Thinkers360 Top Voices globally and for APAC.

With a talent for translating complex concepts into simple and practical ideas for immediate application, Stacey is the author of seven Amazon #1 best-selling books about leadership.

Stacey is focused on future proofing CEOs. Their leadership, their people, and their organisations. She has helped 1000's to develop their leadership competence, confidence, and credibility so they can:

✓ Build the practical foundations for effective leadership
✓ Get out of the trenches, to lead strategically & with influence
✓ Transition quickly and effectively to leading larger, more complex portfolios
✓ Effectively lead change and transformation
✓ Create a leadership coaching capability
✓ Create the space to lead, for greater influence and impact
✓ Create HP executive teams which enable rather than impede progress
✓ Develop horizon thinking
